# VIEWPOINT

by EOIN HAND

We certainly could not have made a worse start to the new season with the recent depressing run of results. Our early exit from the Rumbelows League Cup was certainly not helped by the failure to convert a penalty in each leg. I genuinely felt that we had a realistic chance of progressing to the next round if we'd scored a second on Tuesday at Burnden Park. That was especially so when Bolton were reduced to ten men. However, it was not to be. Instead we failed to turn our pressure into goals and gifted Bolton a late winner.

It goes without saying that we are concerned about the goals against column. This has to be rectified as quickly as possible — the basis of success is founded on a sound defence. I have no doubt that at the other end we will get the breaks and things will come good.

What is vitally important right now is having the belief that three out of our four defeats could so easily have gone the other way. Now is the time to roll our sleeves up and not get dispondent. We must not panic and make rash decisions — we **know** we are a far better side than recent results suggest and we will prove it.

One brighter aspect is that the reserves and juniors have both begun their campaigns on a reasonable footing. The second team produced a good performance to beat Derby County last week and the juniors seem to be scoring almost at will. It is important not to get carried away with their results but it is still pleasing to report their early successes.

Today sees us paired once more with Bolton Wanderers. The chances of our two sides meeting three times in a ten day period must have been slim and having lost the first two

meetings it is high time we started putting the records straight. Phil Neal should be satisfied with his team's start despite last Saturday's hiccup against Bradford City. We welcome everyone who has travelled the now well trodden route over the Pennines and hope Bolton Progress far in the Rumbelows League Cup. But today we aim to make it third time lucky and restore some of that dented pride.

## TOWN IN THE NORTH EASTERN LEAGUE, 1908-09

### No. 3

It was recorded in the minutes book for the first meeting of the directors held at the Albert Hotel on August 29th, 1908 that an offer of £3-3-0 (£3.15) for advertising rights from Messrs. Frys Chocolate and Cocoa Company be accepted. Amongst other revelations from the first page were that tickets to be given at the gate were to be printed, numbering 100,000 for that season. It appears that before turnstiles were obtained each gate had to have a ticket seller and a 'checker' and it was decided that these people would be paid 2s (10p) each for their services.

Players were to be issued with one 10s (50p) season ticket each.

The first 'professional' signing by Town was one Thomas Jones, a full-back who had played for Heywood, Hull City, West Bromwich Albion, Wigan County, Bristol Rovers, Belfast Celtic and Shrewsbury Town. A finely built defender, Tom captained Hull during their first League season of 1904-05 and partnered Ambrose Langley, a future manager of Huddersfield Town. He played cricket as a professional with Golcar and he was buried in the village on his death in February, 1943. Jones made 22 appearances for Town, scoring just a single goal. In 1909 he was transferred to Wrockwardine Wood F.C., the Shropshire club who produced Bill Price 30 years later.

Mr. Andrew Rudge was appointed as team trainer and groundsman. He was also registered as a player in case of emergencies and had captained Mirfield United the previous season. In the event Andy was called upon to make only one appearance at half-back up at North Shields on 24th October, 1908. He left Leeds Road during the first League season 1910-11.

A practice match was held on Saturday, August 15th, 1908 when approximately 150 attended, although no 'gate' was taken.

Seven of the eight players who had already signed turned out together with trialists and locals.

Amongst those already signed were R. L. Trenham, J. Morris and W. Hooton (all ex-Leeds City), J. Shackleton (ex-Heckmondwike, Bury and Spurs), R. Ray (Chesterfield, Leeds and Man. City), W. J. Crinson — a goalkeeper from Sheffield Wednesday and R. W. Hartley from Preston N.E.

No details of this practice match have come to light thus far.

# INJURY TIME

Our three first team casualties are all nicely down the road to recovery. The longest victim has been Lee Martin who was injured during a pre-season game in Ireland. Lee strained the cruciate ligaments of his left knee. Having already passed through the swimming/light jogging stages of recovery Lee is now running and doing a lot of terrace work to strengthen the muscles. He is also able to take part in light goalkeeping activities. Another week to ten days should hopefully be long enough for Lee to return to playing.

*Lee Martin*

Ken O'Doherty twisted his knee and damaged ligaments towards the end of our final pre-season game — away at Doncaster. The injury has now responded well to treatment and Ken is doing a lot of running. The light is now at the end of the tunnel and if progress is maintained at the current rate Ken could possibly be in the reserves side against Blackburn Rovers.

A very similar injury beset David Campbell at Swansea. Having made a promising debut in defence David injured his left knee in the final ten minutes of the game. Already David is able to run and do terrace work but is almost certainly ruled out of today's game. He is improving all the time and another week or so should see him right.

## OBITUARY

Last weekend the club lost two dear friends. Last Sunday Jimmy Firth, the Supporters' Club's President died. Mr. Firth, 94, had been connected with Huddersfield Town from our early days and was Chairman of the Supporters' Club until the mid-1970s. His devotion was honoured a number of years ago when the National Federation of Football Supporters' Clubs awarded him their Bronze Medallion.

The following day Eric Simpson passed away. Mr. Simpson was a great supporter of local sport and was a director of the club from 1974 to 1977. During that time he spent a period as our Vice-Chairman.

The directors and staff of Huddersfield Town offer their deepest sympathy to both families.

# DRAKE'S DIGEST

## Chris Drake's Third Division Round-Up

Steve Moran, Trevor Senior and ex-Town striker Craig Maskell were on target for **Reading** in their opening Barclays League match at newly promoted **Exeter City**. The 3-1 defeat ended a fine 31 match unbeaten home run at St. James' Park with Gordon Hobson scoring the consolation reply. The Grecians have lost the services of their top goalscorer Darren Rowbotham who could even miss the entire season with a knee injury and for a striker who netted 30 goals last season he will be hard to replace. Exeter did bounce back, however, in fine style last Saturday with a 2-1 away win at **Chester City**.

Neighbours **Bradford City** have also suffered mixed fortunes in their opening two Barclays League games. In the Valley Parade opener new signing from Plymouth Argyle Sean McCarthy had an eventful debut against visitors **Tranmere Rovers**. He scored City's goal, missed a penalty which would have yielded a point and was sent off for committing two bookable offences. Ian Muir netted twice for the highly fancied Merseysiders. Last Saturday at **Bolton Wanderers** midfield youngster Lee Duxbury atoned for this losing start with the only goal of the game which ended a 16 month, 25 game barren spell on away soil. The last time the Bantams were successful away was way back in April, 1989 at Portsmouth.

**Stoke City** are playing in the Third Division for the first time in 53 years and they have made a perfect start in their bid to regain the Division Two status they relinquished last season. In their opening game at the Victoria Ground City rushed into a three goal lead after 50 minutes against Rotherham. Noel Blake opened the scoring and ex-Town midfielder Mick Kennedy doubled the lead from the penalty spot. Mickey Thomas increased that lead soon after the interval which sparked their

opponents **Rotherham United** into a spirited fightback including a goal through Bobby Williamson. Six days later in their Friday evening game at **Tranmere Rovers**, City headed the table with a 2-1 win, with Mick Kennedy again on target from the penalty spot. Surprise early leaders of the Barclays League Division Three are **Grimsby Town** whose seven goals from their first two League games have brought maximum points. Their campaign began at Deepdale against **Preston North End** with Dave Gilbert successfully converting a 22nd minute penalty. Chris Hargreaves started the game because of injuries to three other strikers but he took his chance to score the best goal of the match, a curling shot past keeper Farnworth. Neil Woods, signed only days earlier on loan from **Bradford City** completed the scoring in the Mariners 3-1 win. Last Saturday Alan Buckley's men treated the Blundell Park faithful to a thrilling 4-3 win over **Wigan Athletic**. Gary Childs opened, Wigan scored twice, Chris Hargreaves levelled the scores immediately after the interval and Neil Woods became matchwinner with a further two goals. The on-loan striker has indicated that he would relish making the move permanent.

With the season just three games old it has been quite an eventful time for **Rotherham United** defender Nicky Law. In the first game at **Stoke City** he conceded the penalty which enabled Mick Kennedy to open his account for his new club. Then followed the 6-2 success at Doncaster Rovers in the Rumbelows League Cup when he received his marching orders. Last Saturday at Millmoor he appeared to have given the Millers the game as he made the scoreline 2-1 with 10 minutes to go. But in the last minute the summer buy from Notts. County suffered again when a mis-directed shot from **Shrewsbury Town's** substitute Paul Wimbleton struck him on the thigh and deflected past his own keeper.

# VISITING TIME

Today provides us with another opportunity to renew acquaintances with Bolton Wanderers. Following two Rumbelows League Cup ties Town now entertain Wanderers in the Barclays League.

Both last season's meetings ended in draws with the 1-1 result keeping Bolton's unbeaten home record alive. While Kieran O'Regan netted for Town, Dean Crombie scored his first League goal for the Burnden Park club. A series of postponements meant the return fixture was not played until May, when Green and a Philliskirk penalty pulled back earlier goals from Edwards and Maskell.

Those two points helped Bolton to sixth place in the final table so securing a place in the play-offs. However, dreams of a trip to Wembley and the possibility of promotion evaporated during the semi-final tie with Notts. County. A 1-1 draw in Lancashire proved insufficient and Notts. County won the return 2-0 and eventually went on to promotion.

The Tony Philliskirk goal in the play-offs was his 26th strike of the season easily making the 89-90 campaign the most successful of his career. However, Wanderers netted just 59 Barclays League goals, one of the lowest totals in the top half of the Third Division. But that meagre total was backed up by a mean defence that yielded just 48 goals — a total bettered only by the promoted Bristol clubs.

Wanderers had mixed fortunes in last season's knock-out competitions. The F.A. Cup proved least successful of all with a first round defeat in the re-run of the 1953 "Matthews' Final". At the time they were also still involved in the Littlewoods Cup and eventually went out in a third round, third replay at Swindon Town. The club was keen to hang on to their title of Sherpa Van Trophy winners and reached the area semi-final before losing 2-1 at Tranmere Rovers.

The new season began in fine style with a 1-0 win at Shrewsbury Town. Substitute Stuart Storer replaced Barry Cowdrill fifteen minutes from time and hit the winner with just six minutes to go. Wanderers' happy start continued the following Wednesday with their 3-0 win at Leeds Road, but the euphoria died down last Saturday. The first Burnden Park match of 90-91 failed to produce the expected home win and Bradford City, without an away win since April 1989, stole the points.

The man in charge at Burnden Park is Phil Neal. The former England and Liverpool full-back was appointed manager in December, 1985, placing him 14th in the list of longest serving bosses. As a player Mr. Neal represented England 50 times and won countless awards with Liverpool whom he

joined from Northampton Town. The chance to become a player/manager tempted him to leave Anfield, but he was unable to halt Bolton's slide to Division Four in 1987. Within a year the club had won promotion and twelve months later they beat

Torquay United at Wembley to lift the Sherpa Van Trophy.

David Burke's re-appearance at Leeds Road makes him the latest addition to the list of those connected with our two clubs. David was signed on a free transfer from Bolton in June, 1981 and played a major part in our rise to Division Two. Tragedy struck in March, 1985 when a challenge from Fulham's Jeff Hopkins left David with a badly broken leg. Ironically, the two were later to team up at Crystal Palace. At the time only one of three other ex-Bolton players was in the side. He was Sam Allardyce, who returned to Burnden Park at the end of that season. The others were Paul Jones and Phil Wilson while David Sutton later moved across the Pennines.

Another to play for both clubs during the 1980s is Andy May while in the 1970s Terry Poole, Frank Worthington and Alan Gowling appeared for us both.

## We've met before

Meetings between Town and Bolton were an almost annual occurrence until the mid-1950s — most being First Division fixtures. Again we met regularly in the second half of the 1960s but only over the last couple of years have our League paths crossed once more.

In all 70 League games have been played and honours could hardly be more even. Both clubs can boast fine home records — 21 wins apiece — and only on seven occasions each has the visiting club emerged as victors.

Discounting cup ties, Wanderers' victory here in 1988 was their first at Leeds Road since the 1951-52 season. Conversely, Town only won once at Burnden Park during the same period.

On the goals front Wanderers hold a distinct advantage and reached their century when Dean Crombie scored here last season. Town have never scored more than four times against our visitors at Leeds Road, although we did once manage a 5-1 away win. The Wanderers' best win was 7-1 back in the 49-50 season and they hit six four years earlier.

# PATRONS' POINTS

## SOUTHERN MEETING

SATURDAY, 15th SEPTEMBER  
CARNARVON HOTEL, EALING COMMON

This is the perfect opportunity for exiled supporters to meet and become aware of all the latest events at Leeds Road. The meeting coincides with our match at Fulham and lunch will be taken locally.

Hopefully, representing the club will be Eoin Hand, Graham Leslie and Chris Patzelt. A number of Patrons' committee members also intend travelling to the meeting.

Any supporter living in the south is welcome to attend — the meeting starts at 11-00 a.m.

## GRAHAM LESLIE

Last Monday, Commercial Director Graham Leslie made his Patrons' debut. An interesting evening for all with Mr. Leslie being able to learn more about the Patrons' Association and their views. Members present were treated with a good deal of honesty and openness. Our thanks to Mr. Leslie for providing a first class night.

## POLICE NEXT

The two October meetings see the introduction of PC John Topham to the Patrons' Association. PC Topham is the Police's new Football Liaison Officer and has asked to be able to speak to Patrons and all other supporters' groups. The meeting dates are:

Monday 1st October — LOCAL AREAS/HEAVY WOOLLEN

Thursday 4th October — HOLME VALLEY/PENNINE

Both meetings will be held in the Thornpark President's Lounge and begin at 7-30 p.m.

## HOLME VALLEY DINNER

This popular annual event has been booked for THURSDAY 13th DECEMBER. In previous years the Christmas Dinner, held at the Olde Bridge Hotel, Holmfirth, has been a sell-out and the 1990 dinner should prove equally successful. Patrons wishing to reserve places should speak to DAVID NEAL at the next Holme Valley meeting.

# RECOLLECTIONS

**10 YEARS AGO . . .** At last a win! At the fifth time of asking Town's Third Division campaign finally received its first victory on 6th September, 1980. The four goals scored doubled the tally in all competitions so far despite the absence of Kindon and Fletcher. Town took the lead in the 41st minute with an own goal from Reading's Steve Death. Teenage signing Mick Kennedy hit his first for us, Mick Laverick scored a third and Brian Stanton headed in number four.

Up in Division Two, Bolton met Bristol Rovers. Bolton's 2-0 win was an almost certainty — they had yet to concede a goal at Burnden Park while Rovers, bottom of the table had yet to find the net away from home.

Over at Leeds the Elland Road nightmare continued. Six defeats in seven games — the latest being 3-0 at Stoke — left Leeds bottom of the First Division. Two days later and Jimmy Adamson resigned as manager with 34 year old Allan Clarke tipped to take over.

There were happier times at Ipswich who headed the League on goal difference from Southampton. Joy, too, for Sheffield United. They beat Swindon 3-0 to go top of Division Three while Swindon remained the League's only club still to earn a point.

**20 YEARS AGO . . .** A crowd of over 18,000 came to Leeds Road on 9th September, 1970 for a League Cup tie with Notts. Forest. Despite hard running and tireless endeavour the team was unable to make the breakthrough and Forest escaped with a 0-0 draw.

Cup holders Man. City lost to Carlisle United who had reached the semi-final a season earlier. Bob Hatton's 74th minute goal proving decisive in a 2-1 win. Highest attendance of the night was at Villa Park where 28,000 fans saw their Second Division side knock out Burnley (Div. One) 2-0. A third surprise was at Sincil Bank where Lincoln of Division Four ended Sunderland's hopes. Rochdale were also almost amongst the giant-killers. They travelled to Crystal Palace and were rewarded with a 3-3 draw.

Success for Bolton with a Paul Fletcher goal knocking out Blackburn while, in another derby tussle, Sheffield United beat Leeds — the League leaders — thanks to Tony Currie's strike.

The previous evening had seen the demise of Newcastle United. A long trip to Bristol Rovers ended in a 2-1 win for the Third Division club. Division Three colleagues Mansfield held Liverpool to a goalless draw at Field Mill, but no such luck for Halifax Town who lost 3-1 to Derby County.

**30 YEARS AGO . . .** Having lost at Sheffield United in midweek, Town faced the prospect of another local derby on 10th September, 1960. This time our Second Division opponents were Leeds United and we enjoyed a successful afternoon at Elland Road. Derek Stokes netted twice — making it seven so far, Chris Balderstone added another and Jack Charlton put through his own net in our 4-1 win. The result, our first away win of the season, lifted us to mid-table with seven points from seven matches.

Up in Division One, Bolton also savoured the derby atmosphere and collected their first away win. A 1-0 win at Blackpool eased them up the table a little, but the game also had another significance. It was the first League match to be televised and the presence of cameras brought a drop of 6,000 in Blackpool's average crowd.

With most clubs having played seven matches, five still boasted unbeaten runs and one maintained a 100% record. That was Spurs who's latest win, 3-2 at Highbury, kept them two points clear of Wednesday at the top of the Championship. Wednesday and Man. City were two other unbeaten clubs in Division One as were Norwich in Division Two and Grimsby in the Third.

**40 YEARS AGO . . .** Town unbeaten at home, Burnley unbeaten away was the situation when the clubs met at Leeds Road on 9th September, 1950. The outcome was a win for Town who maintained a 100% home record. Having suffered a 6-0 hammering at second placed Newcastle three days earlier the team responded with a 3-1 win. Hassall, Nightingale and Metcalfe's penalty gave us both points and lifted us to third place in Division One. Ahead of us lay Newcastle, now a point clear, with Arsenal second on goal average.

Bolton's poor start continued with a 2-1 home defeat by Sunderland. Bolton slipped a place to third from bottom of Division One just a point ahead of Chelsea and Sheffield Wednesday.

Birmingham City and Man. City were the early pacemakers in Division Two. Both were still unbeaten and led the way with 12 points each from seven outings. At the bottom Notts. County's win at Grimsby was their first success and lifted them three places ahead of Luton, Swansea and Grimsby.

In Division Three (North) Gateshead still remained top, on goal average from Lincoln, while in the Southern Section Notts. Forest were the leaders. Forest's latest win, 2-1 v Port Vale, kept them two points clear of Colchester who beat Brighton.

# CAP THAT!

Town's backroom scene took on a real international flavour with the appointment of Wayne Jones in July. As the name suggests, Wayne is of Welsh origin. When he took up the post of physio in July he also produced the final link for a unique quartet. Eoin Hand hails from Ireland, Peter Withe is English, George Mulhall was born in Scotland and now Wayne Jones the Welshman.

But to make the foursome even more unique each one represented his country at full international level. Eoin Hand played twenty times for the Republic of Ireland in the early 1970s, Peter Withe made eleven international appearances during his Aston Villa days, George Mulhall was capped three times by Scotland and Wayne Jones represented Wales against Finland in 1971.

Wayne's appearance in the number eight shirt also coincided with the selection of Dick Krzywicki while Ray Mielczarek, who had moved from Town to Rotherham a few months earlier, was also in the side.

Whilst it may be unusual it is almost certainly not the first time that a club's managerial and coaching side has been staffed by men from all four corners of the British Isles. But we dare

you to name another club when the same positions are filled by former internationals from those corners.

Wayne Jones  
— completes our international quartet

# SUPPORTERS' CLUB

I have the feeling that we have a score to settle with Bolton today after the humiliation last week in the Rumbelows Cup tie here at Leeds Road. We also need desperately to secure our first three points in the Barclays League this season. Not the start we had all hoped for, but it's early days and we must all get behind the team both at home and away.

## PRESIDENT — JIMMY FIRTH

Former Chairman and Life-President of the Supporter's Club Jimmy Firth passed away peacefully on Sunday, 2nd September. Jimmy had been a tower of strength to the Supporter's Club in his days as Chairman and was a life long supporter of the Terriers. Unfortunately in latter years he has not been in good health and has been unable to watch the team he loved nor take an active interest in the Supporter's Club. To his son Colin and family we offer our sincere condolences.

For the third time inside two weeks we find ourselves matched against Bolton Wanderers. The good relationship Huddersfield Town enjoys off the field with Bolton was again evident last week. Their President Nat Lofthouse visited our Sponsors

Lounge before our Rumbelows League Cup game to chat to our Match Sponsors. The Sponsors Lounge, which has been recently refurbished, carries on its walls some fine old sepia photographs of great stars of Town's past. Clem Stephenson, Jimmy Glazzard, Billy Smith, Denis Law and also portraits of Bill Shankly and Herbert Chapman. Nat Lofthouse was in good company!

The Sponsors Lounge is almost complete. But we still require an attractive young lady to help out with our sponsors on Match Days. Please contact me if you know anyone who may be interested.

Welcome to today's Match Sponsors Millgate Construction Ltd. (formerly Building Services Ltd.) and also Matchball Sponsors Wheawill & Sudworth. I hope they have an enjoyable day with us at Leeds Road.

## ENGLAND TRIP

I am presently considering organising a trip on Wednesday, 14th November, for two days, to see England play the Republic of Ireland in the 1st Qualifying match for the 1992 European Championship. If anyone is interested please give me a ring on Huddersfield 420335.

# WORLD CUP DRAW

Town fan Brian Walker of Bradford had particular cause to enjoy the close season this year — he sold his son Giles the ticket which drew WEST GERMANY in our WORLD CUP DRAW.

Not only did his son win £1000, courtesy of West Germany winning the World Cup, but, as they were the highest goal scorers in the final stages of the tournament, he won a further £50!!!

Brian, whilst being particularly pleased for son Giles, is smiling for another reason, he collected £105 for himself — just for selling that winning ticket — and he promptly used it to purchase his season ticket for 1990-91.

## HELPING THE GAME

*A fine new stand – one of the many initiatives supported by Trust funds*

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zetters. This money will be invested in projects which benefit football throughout the United Kingdom.

# IN THE WINGS

## Spotlight on the Reserves & Juniors

### Sunderl'd Jun 5, Town Jun 3

A great game and an excellent example of Northern Intermediate League football at its best. Both teams wanted to play good attacking football and it was only

in the last few minutes that Sunderland scored their decisive goals.

The match highlighted our weakness at centre-back. Chris Billy and Simon Collins played there but both are really strikers. Behind the defence Paul Thompson, who has now joined us as a trainee, played well after a shaky start.

It was an entertaining, close game in which Kevin Donovan scored twice for us and Mark Wilson netting the other. Sunderland fielded promising midfielder Kieron Brady and it was easy to understand why he is rated in the £ ½ m bracket.

With the scores level just a few minutes from time it looked as though we would pick up a point. Then the home side scored with a harshly awarded free-kick and made sure of the result shortly afterwards.

TEAM: Thompson, Johnson, Charlton, Kelly, Collins (B. Byrne), Billy, Donovan, Wilson, Ireland, J. Byrne, Stocchero.

### Town Jun. 6 v Hartlepool Jun. 1

The Beck Lane faithful were treated to another sizzling first half performance and within twenty minutes the result was beyond doubt. By that time we had raced to a four goal lead with some superb play.

After the break we did not do quite as well and several attitudes need to improve. Rather than keeping our competitive edge and sharpening that killer instinct everything became too easy. Players wanted to dwell too long on the ball and tried to impress individually rather than collectively. It is not easy to keep going flat out when games are one sided but having developed good habits we must use them to full effect.

We used the game to allow Andrew Middleton to make his debut. Andrew is on loan from Stockport County but a broken finger had prevented him from playing for us earlier. For the record, goals came from Stephen Thomas, Simon Ireland (2), Jason Byrne, Chris Billy and Matthew Johnson.

TEAM: Middleton, Johnson, Charlton, Kelly (Collins), Thomas, Wilson (Mooney), Donovan, J. Byrne, Ireland, Billy, B. Byrne.

### Halifax Jun. 2 v Town Jun. 5

We gained revenge for last season's Youth Cup defeat by knocking Halifax out of the competition in Monday night's preliminary round. But the game will long be remembered for a goal by Matthew Johnson. A ball was

played across the penalty area and Matthew's first time shot from fully 25 yards flew into the net like a missile.

Overall, we played quite well and scored some good goals. It was also pleasing that our side of mainly first year trainees, some of whom were out of position, beat a more experienced and older Halifax outfit. John Dysart played at full-back, he is really a winger, Simon Collins was a striker turned defender, while Anthony Barrett and Andrew Booth played their first games at this level.

Playing on a larger than normal pitch, The Shay took its toll in terms of cramp towards the end. It was pleasing though that the stamina levels of Tommy Mooney and Andrew Booth shone through and they were able to keep running right to the end.

First half goals came from Anthony Barrett, Matthew Johnson and Andrew Booth. Chris Billy and John Dysart added the others in the final fifteen minutes.

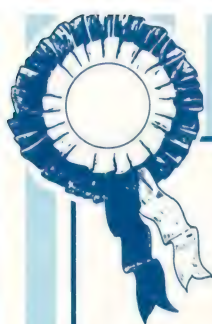

TEAM: Thompson, Dysart, Johnson, Kelly, Thomas, Collins, Barrett, Stocchero, Booth, Mooney, Billy.

*Matthew Johnson — a goal to remember*

Congratulations to Tommy Mooney who has been called up for trials for the Northern Ireland youth team. The training/practice games later this month are part of the country's preparation for forthcoming European Youth International qualifying matches against Eire and Poland. Good luck, Tommy.

GEORGE MULHALL.

# BARCLAYS NEWS

## GATES UP AGAIN

Barclays League gates on the opening Saturday of the current campaign reached their highest level for nine years with 528,661 spectators watching the 46 matches — up 48,000 on last year's figure. The start to the season is the best since 1981-82 when total attendances went on to pass the 20 million mark.

Attendances topped 450,000 last weekend with First Division crowds already over 2,000 up on average compared to this time last season. The loss of Leeds, Sheffield United and Sunderland has led to a partial fall in Second Division attendances but already almost 1,300,000 spectators have passed through the turnstiles.

## LIVERPOOL HAT-TRICK

Barclays League Champions Liverpool have scored another notable success, winning the PFA Fair Play Award for the third successive year. The Award, which was introduced in 1987, is contested by all 92 clubs and is based on their disciplinary record over 38 League games. Liverpool were closely followed by Nottingham Forest and Sheffield Wednesday.

PFA Chief Executive Gordon Taylor presented the winner's trophy before Liverpool's game against Nottingham Forest at Anfield. Liverpool also received a cheque for £2,000, which will be spent on a community scheme at Anfield.

Player discipline in the Barclays League has shown an improvement for the last three seasons with a consistent decline in both cautions and dismissals.

## ADVISORY DESIGN COUNCIL

The first meeting of the newly formed Advisory Design Council took place in London last week. Funded jointly by The Football League and The Football Association the ADC was set up by the football authorities following recommendations contained in Lord Justice Taylor's Report on the Hillsborough Disaster.

The main aims of the ADC are to initiate and marshal research into the improvement and design of football stadia and to regularly disseminate this information and expertise; and to provide an authoritative source of knowledge for all those involved in the design and construction of stadia, both in relation to the refurbishment of existing stadia as well as the provision of new ones.

The membership of the ADC is as follows:- Mr. Gwilym Roberts (Chairman) — (Consulting Engineer, President of the Institution of Civil Engineers in 1986/87). Professor Leonard Maunder (Deputy Chairman) — (Professor of Mechanical Engineering, University of Newcastle upon Tyne). Alan Butterfield — (Senior Partner, George Corderoy & Co., Consultant Engineers to the Football League and the Football Association). Simon Inglis — (Freelance writer who has written extensively on football stadia). Geraint John — (Chief Architect & Head of Technical Unit for Sport, The Sports Council). Doctor Chris Nicholson — (Deputy Director, Research & Laboratory Services Division, Health & Safety Executive).

## PERFORMANCE OF THE WEEK

Congratulations, to Leeds United who marked their return to Division One by taking the 'Performance of the Week' award with a 3-2 win at Everton.

## PICK YOUR OWN

Picking football teams, especially Huddersfield Town ones, at the moment seems as good a way of spending half an hour or so when the television turns out its usual poor fare.

Referring to the recently published excellent publication by Terry Frost — "Huddersfield Town — A Complete Record 1910-1990" — I wondered what type of side, and indeed how many players we could come up with, who were born in Huddersfield — stretching the point a little to include Kirklees and keeping to after 1945.

A home town team selected from just these players should make an interesting interlude, so, with prizes donated by Vileda Ltd., here is the first competition from this column of the season.

Simply pick the side from the players listed below who you would consider to be the best eleven — no substitutes — to represent "Huddersfield". The players are listed in alphabetical order with their normal position shown in brackets and the year when they first played for Town. For younger readers the various positions are shown as: G = goalkeeper, F.B. = full-back, R.B. = right-back, L.B. = left-back, H.B. = half-back, C.H. = centre-half, R.H. = right-half, L.H. = left-half, D = defender, M.F. = midfield, W.H. = wing-half, F = forward, W. = winger, O.R. = outside-right, I.R. = inside-right, C.F. = centre-forward, I.L. = inside-left, O.L. = outside-left, I.F. = inside-forward.

# YOUNG TERRIERS

Hello people,

Recently the YTs met at Leeds Road before sauntering down to the playing fields, with Gerald acting as lollypop man, to watch the Town players train. Someone commented that they were expecting to see blood and sweat. However, the only blood came from Wayne's arm after he fell and we'll pretend that the sweat mingled with the rain that fell down the players' faces!! The YTs then ate their packed lunches in the President's Lounge while watching a video of last season's goals.

At 8-30 a.m. last Sunday, when people who have any sense are still in bed, we set off for Stoke. The YTs were participating in an invitation 5-a-side tournament which to our surprise was opened by Sir Stanley Matthews.

The U11s drew their opening match 0-0 with Oldham but they got their act together to beat Blackburn 2-0 with Carl Webster and Anthony Curran scoring. Unfortunately, our friends from the past, Manchester City, beat the U11s 4-0 in the last game which meant we were prevented from reaching the semi-finals on goal difference. City then progressed to become U11 Champions.

Philip Barden scored an excellent hat-trick as the U13s began their quest to feature in the later stages of the competition as they beat Blackburn 3-1. His John Fashanu style celebrations were popular with the crowd.

Then Manchester City did it to us again! This time we lost 2-0 which meant the U13s had to go all out and win their final match against Watford. The lads battled well but lost to the eventual finalists 3-1 with captain Warren Hand scoring our goal from well outside the penalty area. Apparently, Maradona would have been proud of that goal but, unlike the Junior Blues, we didn't video the YTs' matches so you're unable to judge for yourselves whether this justification is true.

The lads must be congratulated on their sportsmanship on and off the field because they were a credit to the YTs and the Club.

Love, MICHELLE, XX.

# SURVEYING THE SCENE

## Melvyn Booth's Leeds Road Review

It was enjoyable to talk over old times with David Burke at Burnden Park on Tuesday night. The 30 year old left-back rejoined his first club in the summer and has become an

instant hit once again with today's visitors Bolton Wanderers.

A popular player while making over 200 appearances here at Leeds Road, David still retains a 'soft spot' for Town and believes this season's shaky start will be purely temporary.

"The fact that we've scored two wins over Town in the Rumbelows Cup will be more than enough to stir them up for the League meeting and we are well aware of that," he said.

"When League points are at stake it's sure to make for a totally different game and I don't think the match will bear any resemblance to what has happened in the cup.

"I felt that Town played much better on Tuesday at Burnden than they did at Leeds Road in the first leg and perhaps, if Chris Marsden had netted that penalty, it might have been a difficult last 20 minutes for us.

"As it was, we got a lift from the fact that he missed it and even though we had a decent cushion of a lead, we were very happy to win the leg with 10 men after Mark Winstanley had been sent-off, something which I felt was a harsh decision."

David spent almost three seasons with Crystal Palace — he moved to Selhurst Park from Town in October, 1987 — and regards his time in London as a very good move.

Having helped Town gain promotion to Division Two in 1982-83, he was a member of the Palace team which went into Division One in his second season there and also helped push them into the F.A. Cup Final last term.

He is delighted to be back up north, however, and commented: "We have a nice blend of youth and experience, a good all round side and I really do expect us to do well.

"Our pre-season has gone very well and, if you take away last Saturday's defeat at home

by Bradford, we have carried that form into the season proper.

"Bradford were a different type of team to Town. They didn't play as much football and they made it difficult for us to get into our stride.

"I will also be very surprised if Town don't improve a great deal on the two cup performances against us because they are not a bad team and they've got some very good players.

"I would think Town will be looking to do well by the time the season reaches its closing stages."

David Burke

# ON THE MOVE

A warm welcome to defender Tony Kenworthy who arrived at Leeds Road last week. The 31-year-old Yorkshireman is currently a free agent and is spending a month with us. Tony will be best remembered as a Sheffield United player — he appeared in all four divisions for United in an eleven year, 300 match spell. After a period on loan at Mansfield he moved to Field Mill permanently in 1986 and played a further 100 League games.

Released during the summer, Tony received several enquiries from clubs but elected for the move to Leeds Road. The Leeds-born full back played in the Pontin's League side against Derby County and was due to make a second appearance at Rotherham last Thursday.

Meanwhile, big centre-back Andy Duggan has gone on loan to Hartlepool United. The north-east club, for whom Brian Cox now plays, have taken Andy with a view to a

permanent transfer. Limited first team opportunities resulted in a transfer request from the Bradford-based player who moved here from Barnsley two years ago. During that time Andy has played around 30 Barclays League games for us.
